SATs

Week

As I am sure you are aware next week is a vital week for year 6 up and down the country. Our Year 6 children are very well prepared for the tests next week and we don't really foresee there being any issues at all. However, it is also an important week for our Willow children who will also be starting their SATs next week. These are not undergone in test conditions and we try to make them as relaxed and fun as possible for the children. These will continue for the next few weeks and any catch up after half term. Year 2 children do assessments in reading, writing and maths and will do them in small groups with lots of adult support. We would still like help for the year 6 breakfast club next week if you are available, it will start at 8am and be in the hall.

New

Entrants

We have had a lovely time meeting our new children for September. They have been coming to visit Apple Tree in the afternoons, either with their parents or their nursery settings. It has been so nice to get to know them before they join us. We are hoping that they will also support the Summer Fair next week, so we can make them feel even more welcome.

Pupdate

Betty is now fully recovered from her operation and is fighting fit! She has been a star this week, sitting at the back of the hall when the children have been singing their hearts out and meeting and greeting at the end of the day. Carol and Jane from Ability Dogs for Young People are visiting her on Monday afternoon to assess her progress. If we are out and about at the end of the day, please remind your children not to run up to Betty as she will react by jumping up, which we are obviously trying to discourage. She is doing so well as she is only just 6 months old, hopefully it won't be too much longer before she is able to start, one to one work with the children.

All the best to Year 6 from all of Team Northwood! You can do this!
