Northwood Primary Governor Feedback

Things on which I have particular concern or would like to see improvement. 12 families commented here are the key comments/themes shown in a rough weighted order of the frequency of occurrence.

We really do value the feedback, the results will be discussed at our meetings and feed into the school development plan.

Overall **100 % of you agreed your child was happy at school** and **92% of you would recommend the school to another parent** This is pleasing but does not make us complacent on the concerns raised.

Thank you for taking time to complete the questionnaire.
