

NORTHWOOD PRIMARY SCHOOL ACADEMY TRUST

Primary PE and Sport Premium Statement - July 2022

The DfE vision is for all pupils leaving primary school to be physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy lifestyle and lifelong participation in physical activity and sport. The Primary PE and Sport Premium Funding has been provided to ensure impact against the core objective of achieving self-sustaining improvement in the quality of PE and sport in primary schools.

It is expected that Northwood Primary School will see ongoing improvement against the following 5 key indicators:

1. the engagement of all pupils in regular physical activity
2. the profile of PE and sport being raised across the school as a tool for whole school improvement
3. increased confidence, knowledge and skills of all staff in teaching PE and sport
4. broader experience of a range of sports and activities offered to all pupils
5. increased participation in competitive sport

Schools must use the Primary PE and Sport Premium Funding to make additional and sustainable improvements to the quality of PE and sport that is offered by:

- Developing or adding to the PE and sport activities already offered by the school.
- Building capacity and capability within the school to make sure that improvements made now will benefit pupils joining the school in future years.

Under the Ofsted Schools Inspection Framework, inspectors will assess how effectively leaders use the Primary PE and Sport Premium Funding, measure its impact on outcomes for pupils and how effectively governors hold leaders to account for this. Schools are required to publish details on their school website of how they spend this funding and the effect it has had on pupils' PE and sport participation and attainment. Northwood Primary School is proactive in promoting the Chief Medical Officer guidelines that recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school.

Northwood Primary School: Primary PE and Sport Premium Indicators

Academic Year: September 2019 - July 2020		Total pupils: 198 (July 2022) Total disadvantaged pupils: 34		Funding allocated: £17710
Key indicator 1: Engagement of all pupils in regular physical activity				Percentage of funding: 65% - £11501
School focus with clarity on intended impact on pupils :	Actions to achieve:	Funding allocated:	Evidence and impact:	Sustainability and suggested next steps:
