Years 2 - 6

When children have completed Little Wandle Phase 5, and their assessment demonstrates this, their class teacher will use the Oxford Reading Scheme assessment guide to determine the most appropriate colour band for each child. This may not be Purple Band as some children may be ready to read books at a higher colour level.

Any child from Years 2-6 assessed as having gaps in their phonics knowledge (identified using Little Wandle assessments) will continue to use books from the Little Wandle Scheme, or from the Little Wandle Rapid Catch-up 7+ series, until they are ready to access the colour band scheme. Please remember that all children progress at different stages and that no matter what stage they are at in their reading journey, we aim to develop a love of reading that will last for life.
