

OUR ADVENTURES THIS WEEK

APPLE TREE CHILDREN

promoting curiosity, awe and wonder

We started the week reading the lovely story 'Pumpkin Soup'. A story of friendship, teamwork and the importance of sharing. The children were keen to role play the story in our witches kitchen. It was great to hear the rich language being used. On Wednesday, we were very lucky and welcomed Michael's Mummy and Daddy and two of their piglets to the Apple Tree garden. You could have heard a pin drop as the children walked outside to meet the piglets. They were so excited but sensible as they didn't want to frighten them. This visit has inspired our adventures since. We have been very busy learning about pigs, painting piglets and making houses for them.

APPLE TREE FUN!

The children displayed bravery and poise during the KS1 sharing assembly, delivering a wonderful autumnal poem that made me incredibly proud. Don't miss the next assembly in November – check Northwood's newsletter for details. In addition to their performance, students have been immersed in the fascinating world of patterns this week, using a variety of materials to explore and create unique designs.
